Uncle Sam Says

They're hauling up a new flag beneath Old Glory in hundreds of American communities. It's a Treasury Department flag awarded to cities for special activity in selling U. S. Defense Bonds under the Payroll Savings Plan. Where 80 per cent or more of a town's business firms install the plan, the town becomes a Flag City, entitled to fly this special flag. Let's hope more and more towns get on this bandwagon. Employes who have the benefit of this plan are saving wisely and helping America to become strong. *U. S. Treasury Department*
